

Product description **Contacts: 4, grey cable, shielded**

Area **Shielded cable**  
 Order number **08 3090 000 000**

### Illustration

### Technical data

#### General values

Customs tariff number 85444995  
 Packaging Unit 1

#### Electrical values

EMC compliance shielded

#### Cable data

Cable length 100 m  
 Sheath material PVC  
 Single-lead insulation PVC  
 Halogen free No  
 Single-lead structure 42 x 0,1 mm  
 Conductor resistance 57 Ω/Km  
 Temperature range, moving cable, °C from -5 °C  
 Temperature range, moving cable, °C to 105 °C  
 Temperature range, fixed cable, °C from -20 °C  
 Temperature range, fixed cable, °C to 105 °C  
 Bending radius, fixed cable  $\geq 5 \times \varnothing$   
 Bending radius, moving cable  $\geq 10 \times \varnothing$   
 UL style 1 AWM2517

Product description      **Contacts: 4, grey cable, shielded**

Area                              **Shielded cable**  
Order number                **08 3090 000 000**
